

In [1]:

```
#Now, start a Jupyter Notebook using any platform that you are comfortable with  
and do the following:
```

```
#Write some markdown to explain that this notebook will be mainly used for the c  
apstone project.
```

```
#Import the pandas library as pd.
```

```
#Import the Numpy library as np.
```

```
#Print the following the statement: Hello Capstone Project Course!
```

In [2]:

```
import numpy as np  
import pandas as pd  
print("Hello Capstone Project Course!")
```

Hello Capstone Project Course!
